1. (Survey ,Detection and Check-up service, Rehabilitation ,

Medicine providing system, awareness generation, work camps, seminars, road shows, books –posters –leaflets etc for distribution in

Colleges and schools, walling and posters and health cards at village level

Throughout Rayagada District through save life Healthcare Organization)

Heath:

Program on Drug-Addiction

Thousands of people are addicted to drugs and alcohol
Resulting in poor health, mental & psychological disorder and often
Broken families. In order to set things right, LIST has started
Counseling programmers . As a first step to start a drug de-addition center,
The Organization has stated a weekly counseling programme for the drug
and substance abusers . In the year of reporting ,over 50 people were given
proper
Advice regarding this evil. We hope to carry forward this programme in a
big way by
Establishment the Drug De-Addition –cum-Rehabilitation centers in the
operational area.

AIDS Awareness Programme

LIST Continued its awareness campaign AIDS. The aim was to
make the people aware of the methods of prevention of these preventable
diseases. Over

500 people participated in the awareness program organized at Gunupur
block

GPs. The programs contain Survey, Detection and Check –up service,
Rehabilitation

Medicine providing system, awareness generation, work camps, seminars,
road shows, books –posters –leaflets etc for distribution in colleges and
schools, walling

And posters.

Health camps

Health camps were organized to provide RCH services to the target tribal And Dalit population .The range of services provided through the camps include Antenatal Health Check –up, pregnancy risk assessment, diagnosis & treatment for Pregnancy complications, FP counseling & services Corona etc.

2. Education and Training program

Education: We at LIST believe that education is a matter of right of every Citizen. Unless every citizen is made literate, no nation can prosper. In order to make the operational area of LIST hundred percent literate, the Organization is running adult literacy centre at Gunupur Block in Rayagada district of Odhisa . In the centers, the volunteers of LIST are conducting classes to achieve the hundred percent literacy target in three years time. The Organization emphasizes universalisation of primary SORA script education. The Organization has launched an enrolment drive under which the volunteers conduct regular meetings with the parents and mothers to give high priority to education for their children. LIST LIBRARY facility at Sabari Sri Vihar Gunupur their children to school who earlier did not get any education.

LITERACY CAMP

Over the past few years the tribal areas are witnessing an Unprecedented rise in atrocities against the Dalit. Most of the time the Poor and deprived sections of the society do not approach the court of law due to ignorance and prohibitive legal expenses. Thus the Organization is conducting legal Awareness camps in which the target groups are made aware regarding availability of legal help from government to fight for justice. In the year of reporting , LIST Organized one legal awareness camp at jaltar in which 30 people belonging to the Dalit and tribal groups participated.

VOCATIONAL TRIANING/SKILL TRIANING PROGRAM:

Vocational training or skill up gradation of unemployed Tribal youth Is one of the major activities of Organization .This year eight young women were provided maa mangala Tailoring training centre at Balram Nagar 2nd Lane Gunupur for six months of daily three hours duration the previous & current years trainees are being organized in to a self –help group to obtain necessary credit from the financial institution to initiate self employed units for income generation.

SKILL TRANING

Our organization was contacted skill training like Mason, carpenter ,electrician, mobile repairing, bamboo making kit plate leaf making and broom making and two tank sytem toilet making awareness program at model village Karanjasing under sagada G.P Gunupur Block.

Exp on Environmental & plantation program:

Since most of the people are depending upon forest products, it is seen that the people are destroying the trees at a massive rate. The earlier thick forest are no more seen in the periphery of village areas . Either they are cutting the trees for fire purpose and selling them for their earning .So, it was felt necessary to give emphasis to safe guard the Existing plants and to mobilize the people for its protection. Village meeting was organized in Gunupur village of near about 300 villagers including women were present in the meeting .The elected ward members and social workers from from the members who had attended The meeting. All the presenting members were explained about the disaster effect of de-forestation and they were mobilized to plant more trees near their homes for protection of environment. It was decided in the meeting to contact the block Horticultural as well as Agriculture office to collect plants for plantation. A committee consisting of five members was constituted for further development environment in the area.

4. Entry Point Activity:

Usually the entry road of the village and the community halls, temples, churches are not maintained by the village people. So the organization takes keen interest on maintained those. Under this program the organization is doing the works like constitution and maintenance of Entry Point roads of the village LIST ADM Office. Construction and maintenance of Sabar sri Vihar, Gunupur etc.

5. Sanitation program:

Sanitation awareness campaign programme was organized at community centre's of Various villages. To create awareness among villagers to use toilets, maintain drainage system and use safe drinking water. Several meetings were organized During this campaign. Most of LIST present in this campaign program.

6. **Cultural program:**

Every month one week long cultural Guhar, KARJA is held in which various items relating to fine arts EDITAL, Lanjiasoura traditional dance, Traditional drama, music and literary activities like programs on awareness are organized. These events are held after the working hours during the evenings and draw enthusiastic participation. There is also a tradition to celebrate important festivals like Diwali, New Year, Christmas Day , Pujas etc. LIST organizes special cultural program women and Birsa Munda jayanti around the theme highlighting the importance of the event.

7. **Awareness program:**

The organization has made various awareness programs to educate people, through the volunteers, village committees etc.

8. **SC/ST dev. Program:**

The organization has conducted the following programs for SC/ST.

Weaving and marketing of bamboo products.

Marketing of forest products like Casio, cleangrass, mahuli flower. Online business training program for self employment

Community program led by SC/ST ETC

9. **Tribal Community Dev. program:**

Formation of SHGs:

It is observed that most of the people in remote tribal areas are depending upon local money lenders to meet their emergencies at the time of need. But later on, they are facing the hardship of money lenders and leading very miserable lives. so ,it is felt necessary to introduce credit financing system in our locality . In our primary attempt, out members have so far formed 10 SHGs and more Rs..2 lakes to its credits in our operational areas (list enclosed) covering the women members. The members of the organization have continued their effort to mobilize the ideal women to be members of SHG and to avail the benefit for better survival. The group leaders are also given necessary feedback for proper maintenance of the records and books of accounts for reflection of clear account relating to SHGs and Agricultural Activities.

Women Empowerment Program:

Three days non- residential women convention was organized in our operational area Gunupur Block a total number of 85 women including elected members, social workers and Sarapanchs of various block we invited in the programme. The attending members were sub-divisional in different groups for better interaction to know details of different self –employment schemes for the purpose of sustainable income. They were explained about the available resources in the resources. The members were also assured about financing facilities’ and vocational Training to take up different income source of their choice. Further, the women were motivated to possess leadership quality and knowledge to tackle the present women atrocities occurring in rural villages.

10. Self employment program: All tribal student engagement other job like driving and vocational Training

Promotion of kitchen garden:

LIST is promoting Kitchen garden among the rural tribal women in its operational area at Singapore. The organization distributed seeds of vegetables like Brinjal, Tomato and Ladies Finger to the women of Pitapiti and Jaltar GPs of Gunupur Block.

Promotion of saving and credit habit mobilization:

The organization has made awareness on saving and credit habit mobilization through muthi chaula i.e. daily saving habits through saving a hand full of rice in a container. Like that saving in SHG program, saving at post office etc.

11. **Celebration of Important Day:**

LIST observed some important days keeping in mind the objectives of the organization .The following celebrations were observed during the year.

- ❖ Utkal Divas
- ❖ Gandhi jayanti
- ❖ Teacher day
- ❖ Independence day
- ❖ Republic Day
- ❖ World Health Day
- ❖ World Aids Day
- ❖ International Women's day.
- ❖ Birsa munda jayanti janajati gourav divas
- ❖ Biswa Adhivasi Divas

Problems and prospects :

Though the year 2018-19 was an eventful year, the organization faced certain difficulties .The biggest difficulty that we faced was of funding. There was no outside support

whatsoever from any external agency. So the organization was left to fend for itself. though there as bigger design for the organization ,this could not be implemented in right earnest . Lack of resources is the greatest challenge that the organization is facing today.

In the coming years, the organization will take forward the good work started in the previous years, Our special emphasis however will be on the care of the aged and other vulnerable sections of the society.

Sanitation programmers mother and child care programmers, Awareness camp on various issues Rallies and meetings on various issues, integrated vocational training, Skill Training, saving and credit habit mobilization, Bank Linkage arrangements, Grain Bank Collection & Mobilization, Farmers clubs, Women's capacity building & Training.

CONCLUSION:

In our process of work we are trying to stepper for sustainable development, but it is difficult to process forward due to different strategy of the organization and government towards development. Main time people are withdrawn from the development process. We are step ping different intervention giving priority on people's involvement on participation.
